MASK UP!

Please do your part in our community's effort to prevent the spread of COVID-19 by wearing a mask any time that a physical distance of 6 feet cannot be maintained with others around you.

A Letter from the Executive Director - Trent Hultman

Dear Players, Coaches, and Parents,

On behalf of Jackson Hole Youth Soccer, it is a pleasure to welcome you to the 16th Annual Jackson Hole Fall Classic.

Our tournament committee has worked very hard to be sure that your experience with us this weekend will be a great one. We are hosting over 50 teams from across the Intermountain Region. Thank you to all the players, coaches, and parents for joining us this weekend. Hosting a tournament is not possible without the assistance and support of many people. We would like to thank all the volunteers and sponsors who have come forward to assist us in many ways. Special thanks to the following organizations that continue to support youth soccer and this tournament every year: Teton County Parks & Recreation Department, Teton County School District, and Jackson Hole Travel & Tourism Board.

The Jackson Hole Fall Classic continues a long-standing tradition of support to youth soccer in the Jackson Hole Community. The tournament has grown over the past 15 years and continues to strive in so many ways. The goal of the The Classic is to provide a well-organized event that makes everyone feel comfortable in our local small-town atmosphere.

We are optimistic this event will be a celebration of Return to Play, however we do urge all of you to take precautions and follow the recommended guidelines (see pages 12), and requests

of the tournament staff, in order to keep all who are in attendance safe and comfortable for the duration of the event.

As you enjoy the games and facilities, please remember that competition is for fun, and close games can be great fun, but in the end, it is a game, and a means by which kids and teams test themselves. Please help us all to enjoy the games to the fullest by displaying respect for opponents, the referees and each other. Good sportsmanship is one of the most important lessons the players can learn, so we ask that you set the right example.

Finally, we encourage you to take some time to explore your surroundings while visiting the valley. Jackson is a thriving cultural arts center with renowned restaurants, a playground for recreational opportunities, and home to sights that are barely imaginable.

Welcome, or as the signs entering town read, "Yonder is Jackson Hole the last of the Old West."

Enjoy the weekend.

Trent
Trent Hultman

COVID-19 BEST PRACTICES

Wash your hands

Use soap and water to wash your hands for at least 20 seconds, or use hand sanitizer. Avoid touching your face.

Practice social distancing

Keep 6 ft. away from others.
No high fives, handshakes, or fist bumps.

Stay at home if you aren't feeling well

Don't come to training if you have been exposed to someone with a positive COVID-19 diagnosis, or if you are experiencing symptoms.

PLAY ON Safely and Responsibly!

Take the PLAY ON Pledge and have fun returning to soccer while staying safe and healthy.

U.S. SOCCER
PLAY ON

COACHES CORNER

Soccer Tips by Coaching Director George Hahui

In order to take Jackson Hole Youth Soccer to the next level, JHYS Coaching Director George Hahui recommends players observe, practice, hydrate and eat well.

"If we can get players here to practice 10 minutes a day and watch a soccer game per week, we will see a vast improvement."

TIPS FOR PLAYERS:

Watch More Soccer

Learning by visualizing is a great tool in developing a set of skills by absorbing and understanding the difference between a good or a bad decision. Find mentors to look up to. It will motivate you once you understand how hard they have to work to play at a professional level

- Professional games on TV
- Great Plays and Tricks on YouTube
- When you travel to tournaments, watch the top games from other brackets or age groups etc.

Play Pick Up Games

Try to join pick up games in an environment where there are no coaches around to always give helpful advice or guidance. This way the player will be forced take decisions on his own fostering creativity.

- Take your ball to the park or field in your neighborhood and see if you can inspire a game
- Go to the synthetic fields when no games are scheduled and see who's around to play

Hydrate and Eat Well

Lack of hydration and good nutrition during practices and tournaments can put a lot of stress on athlete's bodies (especially when we 2 play games a day). Recovery time between games also plays an important role during tournaments.

- Choose water to drink. As a rule 400ml to 600ml (13-20 fluid ounces) of water should be consumed 2-3 hours prior to your session.

- Eat light between games - fruits and vegetables
- Pre-training meal should include whole grains like rice and quinoa and a protein in eggs, legumes, meat or fish high in Omega 3 (recommended 4 hours before a game)
- Pre training snack 1 hour or 30 minutes before a game
- Drink electrolyte water and carbohydrates after a game to rehydrate. After a training session the body needs carbohydrates to help replenish glycogen stored in the muscles, protein to repair muscle plus electrolytes (predominantly sodium) lost through sweat.
- Rest and take ice baths - they make a big difference on Sunday late games

FOR COACHES:

Maximize Touches

Players at every age benefit from getting more touches on the ball in practices. The more they meet the ball, the more comfortable they will be controlling it and the more confident they will become when it comes to game time.

- Spend more time planning the practice sessions and create appropriate age training lessons
- Understand individual needs and offer suggestions for ball skills that can be practiced at home

SOCCER trivia

The name soccer is a corrupt form of the original term 'association of football', abbreviated as 'assoc', and is the most recognized sport in the world today.

A single player, on an average, runs about 7 miles during an entire soccer game.

COVID-19 Best Practices for Parents and Spectators

The Staff of the Jackson Hole Fall Classic is here to support you and your team during this tournament. We will be taking extra precautions to prevent the spread of Covid-19. We will implement the following best practices to promote personal safety during the event. By attending this event, you are increasing the risk of potential exposure to someone who has Covid-19. If you fall into a high-risk category, please stay at-home. By attending this event, you agree to follow all national, state, local, WSA, and JHYS guidelines and assume all responsibility of risk in attending the Jackson Hole Fall Classic.

GUIDANCE FOR PLAYERS

- Hand contact between teams is prohibited (i.e. post-game handshakes, "high fives", etc.) Applauding is preferred
- The home team will provide a cleaned (sanitized) game ball to the referee.
- The Jackson Hole Fall Classic will NOT be providing hydration stations or nutrition (players, teams bring their own hydration - no sharing).
- Exiting teams should clear the field promptly when the match ends. Do not congregate at the venue with your team
- Entering teams will wait for exiting teams to COMPLETELY clear the bench before approaching
- Anyone who becomes ill during the event is asked to leave the venue immediately and report all occurrences to the team manager.

- Parents, symptom check your child before arriving at the soccer complex
- Spectators must observe social distancing of 6 ft in the spectator area of the fields. Field markings will be provided as guidelines.
- Teams and parents/spectators will be on the same side of the field. The opposing team on the opposite side
- Spectators/Parents can not enter the technical area (team box).
- Do not congregate in groups of 6 or more on the sidelines and maintain social distance of 6 ft between households.
- Spectators are required to wear a face covering without holes during the event when 6 ft distance can not be maintained
- No Pets allowed during the event.
- Anyone who is sick or experiencing symptoms commonly associated with Covid-19 – STAY HOME
- If you are a person of high risk, Do Not Attend.
- There WILL NOT be a medal ceremony for Champions and Finalists. Medals will be given to the coach or team manager to be distributed by the team rep. We encourage teams to take a team photo of the Champions and Finalists with all players wearing masks and while maintaining their distance

GUIDANCE FOR SPECTATORS & PARENTS

- Spectators are allowed during the event but need to be limited to Parents and immediate family members. Please sit in the designated spectator area.

By registering, attending, and entering the event facilities, all participants, including, but not limited to, coaches, players, parents, spectators, event staff, vendors, partners, medical staff and administrators agree to follow all national, state, local, WSA and JHYS guidelines, and assume all responsibility of risk in attending the Jackson Hole Fall Classic. The understanding of the risk and agreeing to not indemnify JHYS or its staff and volunteers nor hold them responsible for any sickness or health condition that may result from attending the event.
